6. **Special General Meeting:** A special general meeting may be convened on the determination of the management committee at any time, or shall be convened on requisition being lodged with the president or secretary, signed by six (6) members; the business of such meeting to be confined to the matters raised in that requisition. Notice of such special general meeting must be received by members at least seven (7) days before the date of the meeting, and such notice must state the day and hour and the business to be brought before such meeting.
7. **Office Bearers:** Immediate Past President, President, Vice-President, Secretary and Treasurer, and Match Secretary, together with two (2) other members shall form the management committee. These shall be elected annually and shall be eligible for re-election.

Intimation shall at the same time be given to the member that, until their annual subscription for the current year shall have been paid, the member shall not enjoy the privileges and advantages of the club.
13. Non-payment of the annual subscription within one (1) month from the date of election shall make the same null and void, unless reasons for the non-payment be assigned satisfactory to the management committee. Members abroad may have their cases specially dealt with by the committee.
14. **Secretary and treasurer:** It shall be the duty of the secretary of the club to conduct the correspondence, to keep a register of members, and to keep in the minute book a record of the proceedings of all general meetings of the club, to receive and disburse all monies belonging to the club and to keep an exact and correct record thereof. 15. **Subscriptions:** The annual subscription for members shall be fixed at the annual general meeting in each year. The annual subscription so fixed shall be payable by 31st October each year. No member shall be admitted to any of the privileges of the club until the member has paid their subscription.
16. Any suggested resolutions to alter the constitution must be in the hands of the secretary in writing fourteen (14) clear days before the annual general meeting. The suggested resolutions will require to have a two thirds majority of the members present.

Notices

- Subscriptions are due by 31st October.** Any member who has not paid his subscription by the date of the next AGM will be deemed to have left the club.
- Ice Money:** Please check the syllabus carefully and note your games. Ice money must be paid for eight curlers for all ice booked by the club. If you do not turn up and have not arranged a substitute, the club will be billed for your ice and will expect to be reimbursed by you.
- Trophies:** Please make proper arrangements for passing on trophies. Do not leave them at the rink for collection. **Skips are responsible for returning trophies to the secretary in good time for engraving and presentation to the new winners at the end of the season.**

Page 2. Rules of Play

The Club shall adhere to the Rules of the RCCC, excepting any Rules or Bye-Laws adopted by the Club, which shall take precedence.

1. These rules apply to all competitions of Tarbolton Curling Club.
2. All players listed in the syllabus as playing in any club game shall be responsible for their own ice and, if unable to play, **must themselves obtain a substitute** to take their place. If possible, players should let their skip know the name of their substitute in advance of the game.
3. Members listed as substitutes should be contacted first. If no one on the substitutes list is available to play, then players in other rinks should be approached. If possible the substitute should not have a higher position in a league rink than the player being replaced – though it is acknowledged that this is not always possible.
4. Substitutes shall be allowed up to a maximum of three. At least one member of the original rink must play.
5. If there is one substitute he must lead; if two, they must play lead and second; if three, they must play lead, second and third.
6. If no substitute can be obtained then the member unable to play will be liable for his ice money. **There will be no exception to this rule.** Any member finding themselves in this situation should let their skip know.
7. If a team is a player short then that team will be penalised by two shots, which should be added to the opposing team's score before the card is signed at the end of the game (except the John Dodd, Dr Morris, and McFadzean Cup, where there is no penalty).
8. Any team with a player turning up more than 30 minutes from the start of the session will lose two shots.
9. No team may play with fewer than three players. If, 30 minutes from the start of the session or from the time when the opposing team is ready to play (whichever is later), a team has fewer than three players it will forfeit the game. The opposing team will be credited with two points, five ends and three shots difference.
10. If a member who has agreed to substitute does not appear, then he will be liable for the ice money.

Bicentenary committee: Adam Prentice, Robbie McFadzean, Alex Fergusson, Willie Morton, David McClure.
